OFFERED FOR SALE BY

WILLING & CO., BOOK BROKERS AND VALUATORS,

39 KING STREET WEST, TORONTO.

NOTICE.

In preparing the following catalogue care has been taken to make the description of every book sufficiently full and accurate to enable intending purchasers to distinguish the edition and verify the correctness of the valuation affixed.

The books, which are mostly in fine and perfect condition, have been selected and purchased from time to time during a period of nearly forty years, and include many of the best editions of the best authors; some of the most sought for illustrated works, with early, strong and choice impressions of the plates; unusually good and uniform sets of the standard Reviews and Magazines, in bindings bright and fresh as when leaving the hands of the binders.

In the collection will be found Andubon's Birds of America, 7 vols.; The Annual Register; Blackwood's Magazine; Heath's Caricaturist's Scrap Book; Smollett's Cervantes; Cruikshank's Comic Almanacs; The Edinburgh Review; The Leuchtenburg Gallery; Fraser's Magazine; The Florence Gallery; Gentleman's Magazine; Hogarth's Works; The Harleian Miscellany; British Essayists; Speeches of Eminent Orators; Colburn's New Monthly Magazine; Paxton's Magazine of Botany; Picturesque Canada; Prescott's Works; The Poullain Cabinet; The Quarterly Review; Samuel Richardson's Works, 19 vols.; Stafford Gallery; Shelley's Alastor, 1st ed.; Walker's Irish Bards; Walpole's Letters; Walton & Cotton's Angler, by Nicholas; Daniel Webster's Works and Correspondence; Numerous Scarce Works and Pamphlets relating to Canada, etc., etc.

All deficiencies and imperfections which were discovered have been noted, but a thorough examination of each volume being impossible, the sale of any work is not to be set aside on account of any error in the description.

A careful valuation has been made, and the prices affixed will be found much below the current quotations of the English, American and Canadian dealers, comparison having been freely made with a large number of catalogues in the possession of the valuators.

The terms "rare," "scarce," etc., have been very sparingly used, though in many instances reference to the rarity of a book or pamphlet might fairly have been made.

This library is well worthy attention, being probably the most valuable and desirable ever disposed of in Canada, and offers an exceptional opportunity to collectors or speculative purchasers.
